WARNING

U.S. citizens driving in Mexico are subject to Mexican laws. The laws in Mexico that govern the operation of a motor vehicle are different than those in the States. Even a minor vehicle accident in Mexico can have serious consequences. In the event of an accident, the extent to which you will be able to deal with the problems that will arise will rely on the precautions you take and the planning you do before you leave. We recommend that you visit the UCSB Risk Management website and read [Quick Tips: Driving a UC Vehicle in Mexico](#) and the [FAQs](#) before driving in Mexico.
